Oxford Family Eye Care wants your visit to be care free.
We are excited to introduce our new Personal Health records site.

Please visit our website at www.oxfordfamilyeyecare.com

Click on the patient portal tab to update your personal information and schedule your routine exams through our website.

When scheduling appointments through PHR, please take the interview after scheduling your appointment to help shorten your time in the office.

**Your username is your first initial of your first name, last name and last two digits of your birthyear with no spaces.
(example: John Smith born in 1956 would have a login of jsmith56)**

Please note: Usernames are required to be at least 8-characters long. If you have a short last name, you may need to use your entire birth year instead of just the last 2-digits. Example cmay1956

If this is the first time you are logging into your PHR and you have not received your temporary password, please call us at 610-932-9356 or email us at office.ofec@gmail.com

If you are a parent logging in for the first time for a child's account, please use your own login information as listed above, if you are having difficulty accessing your child's account please call the office at 610-932-9356 so we can reset your account.

**Please be aware because of HIPAA regulations we are unable to give access to a spouse account or anyone the age of 18 years old or older without their written consent.
