

## REGIONAL EYE CENTER PAYMENT POLICY

Welcome to our office and thank you for choosing Regional Eye Center as your eye care professionals. Our goal is to provide you the very best in total eye care. We offer the following information to better acquaint you with our payment policies. In doing so we hope to avoid any misunderstanding concerning payment for services.

- \* Patients are responsible in full for services rendered. Unless filing insurance, patients are expected to pay in full when the service is rendered. **We offer a same day discount for patients who pay out of pocket.** For your convenience all major credit cards are accepted. If it is necessary for you to establish a payment plan, we offer no-interest financing through Care Credit.
- \* As a courtesy to insured patients, our staff will file claims with the following companies. (Please inquire if you are unsure as to whether your insurance coverage is included under one of these categories.) After we receive payment, patients will be billed any balance. ***After 90 days, if payment is not received from the insurance company, it will become the patient's responsibility.***
