

# iWellnessExam

Dr. Maurillo has incorporated the iWellnessExam™ SD- OCT retinal scan as part of his comprehensive eye exam.

As part of your pre-examination work-up, our technician will perform the iWellness Exam which Dr. Maurillo, Dr Shiomos or Dr Howard, will review with you during your examination today. The results of this exam will become a part of your permanent patient record.

The **\$10** charge is typically not covered by your medical or vision insurance unless being used to actively follow disease. This cost will be added into the price of your visit today. Any questions you have about these tests can be discussed during your examination with our Doctors.
